BOOKING & FAQ

THE LAS FLORES ROOM

Steps to Take to Reserve This Room:

1. Ask Event Manager if your date is available (events@eladobedecapistrano.com)
2. Begin a proposal by providing a menu, bar option, guest count and start time to the El Adobe Events team
3. Secure the space with a \$500 deposit
4. Give final head count a week prior to the event
5. HAVE FUN AT YOUR EVENT
6. Day of event, pay the balance at the end of the event to your server with a physical card, cash or apple pay

Can I make changes to the pre-set menus?

We do allow changes however these changes may incur additional costs if menu items are not of equal or lesser value. Menus and prices are built according to similar costs of food and labor for each menu item. For example, Cost of chicken is not equal to cost of shrimp; Mexican Rosca is not equal to Churros and ice cream or Flan.

How does the family-style Taco Fiesta option work?

Platters of meats, cilantro and onions as well as tortillas in warmers are served down the center of the table for guests to build their own tacos. Additionally, guests will each receive a plated meal with spanish rice and refried beans.

Are there any Vegan or Vegetarian Options available?

We offer Vegan, Vegetarian and Gluten Free menu items- normally vegetable enchiladas.

I am bringing in a cake, is there a fee? When can I drop it off?

There is a \$2 per person fee for any outside food. If you would like to eliminate the dessert from your package and swap out for cake service we are able to do that. You may drop off cake in the room 1 hour before or drop off in our refrigerator the morning of the event.

Can we just order off the regular menu?

For a guest count of 22 or less, we are able to take orders from the regular menu. Any guest count over 22 must choose one our pre-set menus.

Can we request separate checks?

We are able to provide separate checks for up to 3 separate tables. If your guests are expected to pay for their own meals, please collect money beforehand or have them bring cash on the day of the event to be collected by event host. Our primary focus is providing excellent food and service and end of event may become a bit chaotic when servers must provide an individual check for each customer.

When is my final headcount due?

7 days prior to your event is the cut off. If you do not turn in a final guest count at that time, we will plan and charge for your estimated guest count given at time of booking.
